

# Cannabis Training For Law Enforcement And Green Lab

Presented  
by Extract-Ed

## Training Includes

1. Cannabis and SFSTs Research Study Review.
2. Cannabis Metabolization and Chemical Test Results.
3. Tour of Medical Marijuana Facility. (If available in area)
4. Cannabis Green Lab.

Missouri Officers will receive POST credit for 2 hours of Technical Studies and 4 hours of Skill Development.

## What is a Green Lab?

Qualified Patients will consume two separate doses of medical cannabis. Students will administer sobriety tests on these volunteers to determine if they are impaired. Dose amounts, administration methods, and impairment indicators will be reviewed after completion of the Green Lab.

All state law and DHSS rules and regulations are strictly adhered to throughout this training

Continuing education hours for Missouri law enforcement
